

WELCOME TO THE DIVISION OF SCIENCE AT NYUAD

جامعة نيويورك، أبوظبي

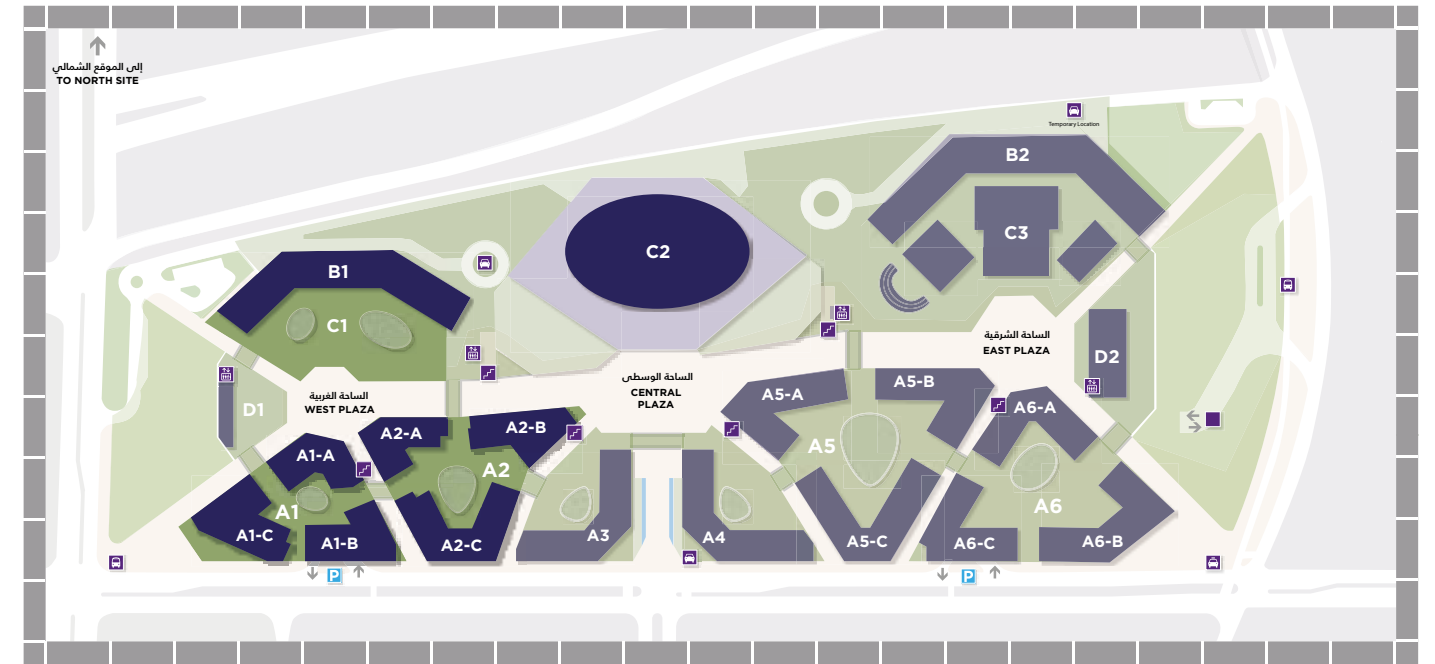

NYU | ABU DHABI

Welcome

The Division of Science at NYU Abu Dhabi is dedicated to pushing the boundaries of knowledge through cutting-edge research and interdisciplinary collaboration. We strive to inspire and educate the next generation of scientists through our commitment to excellence in education and by offering our students plentiful opportunities, locally and around the world. Together, we work to make positive impacts to the local community, build scientific capacity across

the region, contribute to the global knowledge base, and address some of the most pressing challenges facing our world today. We are delighted to welcome you. Whether you are here for a seminar, a collaborative project, or simply to explore our campus, we hope you find inspiration and opportunities for meaningful engagement. Thank you for visiting, and we look forward to the exciting possibilities our time together will bring.

CAMPUS MAP AND KEY LOCATIONS

If you are staying on campus, please report to the Welcome Center at the front of campus for assistance with your accommodation needs. For those staying off campus or visiting for the day, your administrator will reach out with details on where to meet either them or your host.

The majority of science offices, laboratories, and research groups and centers are located in the Experimental Research Building (C1), the Computational Research Building (A2), and the STEM Building (A1).

CAMPUS DINING

There are several dining options available on campus, offering breakfast, lunch and dinner, and serving a range of international cuisine. The opening times of each outlet vary throughout the year so check with your host or administrator ahead of time. The following outlets accept campus meal vouchers, with the exception of the Library Café:

Al Diwan Campus West Restaurant
Location: D1, Ground Floor

Campus East Restaurant

Things to see and do

Sheikh Zayed Grand Mosque

[Sheikh Zayed Grand Mosque](#) is an architectural marvel that can house up to 55,000 worshippers and visitors every day and welcomes people of all beliefs. The mosque is one of the world's largest and was the vision of Sheikh Zayed bin Sultan Al Nahyan – the Founding Father of the UAE. He envisaged the creation of a welcoming and cultural haven that inspires people from all backgrounds. As an active place of worship, visitors should dress conservatively and behave respectfully, according to these [guidelines](#).

Observation Deck at 300

Situated in the second tower of Etihad Towers, on the 74th floor of Conrad Abu Dhabi Etihad Towers, the [Observation Deck at 300](#) offers the highest vantage point in Abu Dhabi. From 300 meters above the UAE capital, visitors can enjoy unparalleled, bird's-eye views of the city skyline and the Arabian Gulf. The Observation Deck's café is renowned for its afternoon high tea, which features an impressive selection of tea blends and freshly ground coffee, accompanied by an assortment of delectable sweet and savory treats.

Abu Dhabi Corniche

Abu Dhabi's Corniche Road stretches across an impressive eight kilometers of manicured waterfront that includes children's play areas, separate cycle and pedestrian pathways, cafés and restaurants, and the stunning, lifeguarded [Corniche Beach](#). If you're looking to soak up Abu Dhabi's famous year-round sunshine, this immaculate beach is one of the best places to do it.

ACROSS THE EMIRATE:

Emirates Palace Mandarin Oriental Hotel, Abu Dhabi

A stunning architectural marvel and one of Abu Dhabi's iconic landmarks, the main building of the [Emirates Palace Mandarin Oriental Hotel](#) spans over a kilometer from one wing to the other, with gardens extending across one hundred hectares. The palace features 114 domes, with the central dome standing an impressive 72.6 meters above ground, intricately adorned with gold, mother of pearl, and crystals. Additionally, the hotel is home to 1,002 chandeliers, the largest of which weighs 2.5 tons.

ACROSS THE EMIRATE:

Yas Island

A dedicated leisure destination, [Yas Island](#) in Abu Dhabi is home to the renowned Yas Marina Circuit, several theme parks, prestigious golf clubs, and the expansive Yas Mall, making it an all-encompassing destination for entertainment and recreation. The Yas Marina Circuit, famous for hosting the annual Formula 1 Abu Dhabi Grand Prix, offers high-speed excitement for motorsport enthusiasts. Visitors can indulge in the thrills of Ferrari World, Yas Waterworld, and Warner Bros. World Abu Dhabi, each offering a plethora of rides and attractions.

Qasr Al Watan

The presidential palace of the United Arab Emirates, [Qasr Al Watan](#) was first opened to the public in 2019. A majestic palace, which translates to "Palace of the Nation," its intricate design features stunning white domes, ornate carvings, and lavish interiors, making it not only a center of governance but also a testament to the nation's artistic and cultural achievements. While visitors can explore the magnificent halls and enjoy the beautifully landscaped gardens, the palace is still used for official purposes, such as hosting foreign heads of state, and for meetings of the country's Supreme Council and Federal Cabinet. As a courtesy to other guests in the Palace, guests are asked to wear respectful clothing, with knees and shoulders covered.

Qasr Al Hosn Fort

[Qasr Al Hosn Fort](#) is a historical landmark and the oldest stone building in the city of Abu Dhabi. Built in 1761, it was originally constructed as a conical watchtower and later became the ancestral home of the Royal Al Nahyan family. It now stands as a national monument that encapsulates the development of the city from a modest island settlement into the modern capital city we know today.

The dress code at Qasr Al Hosn Fort is not as strict as the Sheikh Zayed Grand Mosque, however, it is considered a culturally significant part of the city and it is therefore recommended that you dress conservatively, wearing trousers and making sure that your shoulders are covered, with no tight or revealing clothing.
